

Business FY2009 100% Write Off Reminder

The 2009 Federal budget is offering a 100% Capital Cost write-off on computers and related software purchased for your small business between January 27, 2009 and February 2011. The equipment must be "General-purpose electronic data processing equipment and systems software for that equipment."

Under this temporary program businesses are able to fully expense out an eligible computer purchase in 1 year!

For details on the program please consult your accountant or see:
