

# SPECIAL EVENT!

## Prizes, Specials, Snacks!

Mac Outpost is pleased to announce its Grand Re-Opening! With Apple Inc.'s encouragement and assistance, our centrally located, newly renovated building on Wharnccliffe Road South in London, Ontario, Canada has undergone extensive upgrades, both inside and out, resulting in a modern, contemporary retail environment with the look and feel of an Apple Store! Our large, flat panel displays running Apple training videos and MacWorld keynote addresses are also a great addition. Stop by and see us this weekend!
